

Garden Club Affiliations

In 2013, the JBGC voted to become a member of the Florida Federation of Garden Clubs, Inc., a statewide organization and member of the National Garden Clubs, Inc. The FFGC consist of 12 Districts. We are in District Ten. As members of the Deep South Region, District Ten of the FFGC, we have access to the wealth of information that all these organizations provide to their members in regards to gardening, education, charitable efforts, and environmental issues. As federated members, we were able to participate in the very popular Penny Pines Charity, which planted 6 acres of Florida's forest with trees in our name last season. We have collaborated with local garden clubs on trips, improved our monthly programs and offered more in the way of scholarships to area children. We also have our association with the FFGC to thank for our new Junior Gardeners Program with Jensen Beach Elementary students and the installation of the Blue Star Marker in the name of the Jensen Beach Garden Club at the Jensen/Rio Arch.
